**Membership pays.**

**Do I have to change the way I do business?**  
 You don't need to! You still utilize the same suppliers and continue conducting your business as usual. The only requirement to qualify for a rebate is that you use two or more of our manufacturers.

**What if my subcontractors buy all products?**  
 The manufacturers are rewarding loyalty with these rebates. If you are specifying the product to your subcontractors, then you are affecting the sale and therefore qualify for the rebate.

**Must I align with ALL participating manufacturers?**  
 No. In fact, a builder only needs to use two of our manufacturers at a minimum to qualify for a rebate.

**Do I have to save my receipts?**  
 There are no receipts necessary to process your rebate claim. We have made the rebate program as simple as possible. Instead of receipts, we use our manufacturers' salespeople in your area to check that their products were used.

**Why do manufacturers want to reward me?**  
 Manufacturers recognize that the small-to-midsize builder is the largest segment of the building industry, and they are rewarding those builders with rebates through HBA of SC.

**Is my company big enough to qualify?**  
 Yes! As a HBA of SC member, you have the combined buying power equivalent to a Top-10 builder.

**What if I don't renew my association membership?**  
 This program is a members-only benefit. If you leave the HBA of SC, you are no longer able to participate.

# Introducing South Carolina's new Member Rebate Program

No one likes to leave money on the table. So, what would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry suppliers? Well, now you can!

We're happy to introduce the HBA of SC Member Rebate Program, aimed at increasing your bottom line. For the minimal effort of informing us about the products you use, and telling us when you close on a home, you'll be putting money back in your pocket. When you participate in the HBA of SC Member Rebate Program, you can count on receiving checks every quarter!

## Program Details

### Benefits of participating.

The biggest perk? Money. Cold, hard cash. And all for just remaining loyal to many of the country's leading manufacturers you already use in all of your homes. Lump-sum checks for closed homes are mailed quarterly.

### No change needed in your business practices.

Besides the money, the next-best part of the program is that it relies on very little effort from you and doesn't change the way you conduct business. Best of all, you do NOT have to change the way you currently buy. We do the paperwork, collect the money and mail you the quarterly checks directly!

### How to register.

Obtaining the benefit for your loyalty couldn't be easier. Simply complete and tear off the registration card attached to this brochure. Either mail your completed registration card to the pre-printed address or fax it to us toll free at 800-977-5591. You also can register online at [www.HBAofSC.com](http://www.HBAofSC.com).

### Detailed manufacturer information available.

You will be sent a Manufacturer Guide that details the information that is needed per home from the manufacturers you have used.

### Don't miss this opportunity!

Send in your application now and we'll make your membership retroactive to the beginning of the year. That means we can collect for all the homes you have closed so far this year. Don't let this opportunity pass you by — you can't afford not to participate!
